Water is Back ON

First let's thank Charlotte and Gary Buehler for supplying water to the club for the last several weeks. Thanks to Jon and Randy Hess, PMI Support Crew: Ben Minier, Rod Proulx, and Anthony Gallo for helping me getting this water system installed. We now have our own water meter and supply and a system that works and has no leaks. We still need to set the pressure regulator to the proper pressure, but that will require two people. We will also need to construct an enclosure to protect the meter, manifold and piping.

Volunteer Opportunities

IF YOU CAN HELP ON ANY OF THESE - Contact richseyfried@gmail.com

Weed-Whacking/Trimming

Doug, who mows our club will be having hand surgery soon. He will still be able to mow, but will not be able to do the trimming. Another volunteer opportunity that will need to be done regularly for the next 8 weeks. Check with Rich to sign up for a week and receive volunteer credit.

Toy Box

The toy box needs a family with children to move it from shed 9 to near the pavilion...or maybe close to the playground.

New shed arrived, check it out. Need to

1. Move items from the old shed to the new shed.
2. Build shelves to store propane tanks, Sail patrol cabinets and sail patrol boat gas tanks stand. The new shed has 8 foot walls. Think of going vertical with items.
3. Need to have room for the dinghy fleet race markers, ropes, weights, etc.
4. We have some stone on site which will be used to build a ramp to the new shed.

Someone is needed to design the **new dock deck**, and come up with a workable solution to cover the new ramp dock wall. This deck will be the walkway to assist launching and retrieving mono hull boats and will also be the walkway to the sail patrol boat. We have and will engage PYC to borrow their maintenance boat to assist in the deck rebuild.

The club is open,
ENJOY!

Note: We are still looking for a 2024 Dock Master who will be mentored by out-going Dock Master Linda, who promises to make the transition go smoothly.
Qualifications: organizational and people skills
Please email me, call or text me with any further needs. or questions.

SAIL INTO SUMMER CONTEST

The Williamson-Pultneyville Historical Society invites you to continue the tradition begun last year with our Painted Pig Contest by purchasing one of these rugged miniature sailboats made of genuine Lake Ontario driftwood for just $10. With a paintable sail, paint included in the kit, make it your own by painting/decorating the sail and then entering it in the "Sail into Summer" contest in Gates Hall at the 64th Annual Pultneyville Homecoming to be held on Saturday, July 20th. All ages are welcome. This could make a fun group activity too, whether young or old! Sailboat kit (boat & paint), $10, is available until July 18th by leaving a message at **518 528-6063**. Funds raised support our mission to provide a fun and entertaining community event for all.

Please join us for the
