Social Highlights Lobsta' Fest

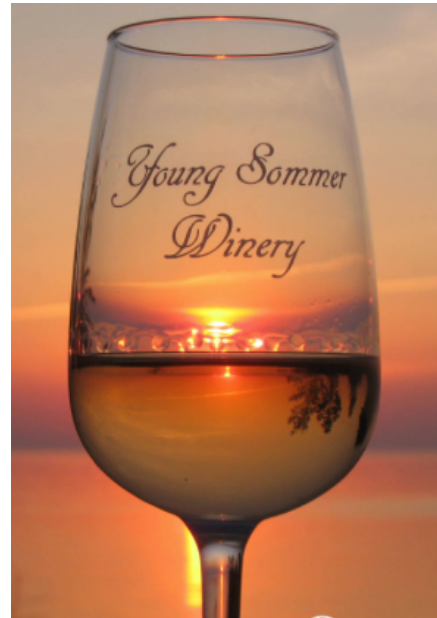

Our Next Social Events:

Fall Clean-up, Saturday October 19
And our Fall Banquet, Sunday, November 10

*Join us on
Sunday,
November 10
at 5PM*

*Pultneyville Mariners
Fall Banquet*

Young Sommer Winery
4287 Jersey Rd. off Lake Ave. in Williamson

Buffet Dinner by *North Coast Catering*

Wine and Beer Cash Bar

Appetizers, Dessert, Coffee & Tea

Slide show highlights of PMI 2019

Cost per person: \$33

Reservations due by November 3

Checks made payable to PMI and sent to:

Carol May, 7304 Stoney Lonesome Rd. Williamson, 14589

Name(s) _____ # attending _____

Dietary Needs: _____ # Gluten Free _____ # Vegetarian

From Social Chairs: Betty Morley & Larry Kilbury

Many thanks to all the social events chairs and their teams. It was a real challenge and kudos for stepping up!! Thanks to Denise & Rich Bilsback, Lisa and Paul Casalmir, Liz and Bruce Hoogesteger, Annie Fiorino, and Bruce Bellaire and family.

Social Events Calendar

- Spring Clean up – April 27th *Thank you!*
- Spaghetti Launch – Saturday, June 1 *postponed*
- Fathers Day Breakfast – June 16th *Thank you!*
- Homecoming – July 19-21 *Thank you!*
- Beef & Brew Plus Windows on the World, August 3rd *Thank you!*
- Independence Pot Luck - August 17 - *Thank you!*
- Lobster Bash – September 1st *Thank you!*
- Fall Clean-up – October 19, 9 AM - **Bring Wheelbarrows & heavy rakes**
- Fall Banquet - November 10th. **Reservation form on Page 2**

And a special *Thank you* to all who fulfilled
Sail Patrol/Duty Officers
As the season progressed!

Commodore's Corner

I would like to thank each member for their patience, adaptability, and understanding as we went through the summer. Nature has its own way of changing our plans and reshaping the club. Like nature, we as a club have to look at how we can change and adapt to the new normal conditions. As our club ages and the docks become flooded we are slowly losing boats for the wall docks. This is a shift that started before the flooding that has previously been offset through the fishing membership and an increase in catamarans, other daysailers, and social members. In order to look long term, we are exploring options to rebuild the pavilion at a higher elevation so even during flooded years it would be usable. With this comes risks because we have a 5-year lease. In the past, the lease has been renewed with little changes. In order to look to the future if we decide to rebuild the pavilion, we will need your support, including financial help, time, patience, and trust. Over my years as a member, it has been fun seeing different generations coming to PMI and talking about growing up at the beach. Through long-term planning and dedicated members, I believe we can continue that into the future.

On a different note, I would like to congratulate our new fishing representative Tim Johnson. The fishing season has started so you will see some new faces at the club. This year parking for fishing members will be limited to the driveway and regular parking places except when the ground is frozen solid. When the ground is frozen solid, fishing members with handicap parking will be allowed to drive to the docks SOUTH of the playground area. There will also be a portapotty put on the property later in the season. I hope that the fishing members have a great season.

I am looking forward to seeing everyone at fall cleanup on the 19th and the banquet, November 10th.

Lisa Casalmir
PMI Commodore

Dockmaster report, Deborah Arndt

Your ongoing support and membership of PMI is needed!

Grateful thanks to PMI members for their continuing support over the 2019 season. We would like to express our gratitude to all members for their continued commitment and support of PMI. This was a challenging season, but gratefully we've enjoyed many days of sunshine and fair winds. We're confident there will be many more to come!

But we can't do it without your help. So please plan to support PMI for the coming season.

Planning is underway to address flooding issues. Among the projects we are working on are renovation of our current clubhouse and to stem flooding at the boat launch area. We will continue our efforts through the fall and winter to implement measures as soon as possible in the spring. Cement barriers currently positioned in front of the clubhouse will remain throughout the winter and spring to mitigate flooding. We will continue to update members.

PMI and PYC are also working cooperatively to support the efforts of Wayne County, NYS, and Army Corps of Engineers to provide for the replacement of stones at the channel entrance to the Harbor and bolster the points hard hit by heavy wave action.

2019 dock fees will be credited and we will assess spring flooding conditions in 2020 regarding dock space rental. So, please stay tuned.

We appreciate your ideas and feedback. Feel free to send your suggestions to or to volunteer to help to

Dockmaster@sailpmc.com

We're happy to answer any questions you have.

Dinghy Sailing Reflection,

by Steve Harkola

Think Rich took the trophy?! I was still beating to the 2 mark when I saw him blasting down wind back to the start. By the time I got back to zero, there were monster PYC boats bearing down on me for the start of their race. Yikes. Crazy Nick joined the PYC big boat race on his little laser, winds may have hit 20 knots at times but he finished. His only comment – size matters! Anyway, next year, we'll be using the sail patrol boat to set marks on a tight dinghy course, close in but away from the big boats. We have three buoys in good condition, anchors and ropes and we have a mechanic servicing the sail patrol boat engine. The plan is working up to timed starts, multiple heats and more Sunday fun in the sun !

From Vice-Commodore, Steve Harkola:

Call for donor lawn mowers. We were able to repair two of our three lawn mowers after flooding this season but they are very tired

Special thanks to Chuck Drollette for leading the Fishermen these past 2 years at 100% of quota. Chuck has been a serious advocate for fishing member rights, and set the bar high for maintaining sportsman-like conduct and environmental awareness at the club. Tim Johnson will be taking the reins in December as the new Fishermen Lead Representative. Our fishermen contribute substantially to our club and keep a watchful eye on the property during the cold months while enjoying their sport.

The Board agreed to leave the Jersey Barriers in their current position, at least through Spring 2020, until next years water level situation is clear. While we are all adjusting to the "New Norm", please be patient with efforts to protect club property. Every effort is being made to ensure our club continues to be viable under adverse conditions.

Reminder to lock all club facilities (especially bathrooms) and gate when you are the last one leaving the property. We have experienced several cases of vandalism this year because members forgot to lock up.

Fall Clean-up - Saturday, October 19 - 9AM

Bring Wheel barrows and heavy rakes - we will split
Some sandbags and fill holes where needed.

Community Involvement:

**Plan IJC-2014

**Williamson-Pultneyville
Historical Society

SUE THE IJC

LAKE ONTARIO SOUTH SHORE LEGAL FUND

ACTION MEETING + FUNDRAISER

DATE: SUNDAY OCT. 6 TIME: 2-4PM PLACE: MARLIN'S

SOS and concerned area residents invite you to come to an **ACTION MEETING + A FUNDRAISER**

IMPORTANT POINTS:

- Lake Ontario Saint Lawrence River Alliance (LOSLRA), a regional organization raising a \$1 million legal fund to sue the IJC
- SOS supports legal action to REPEAL or REPLACE Plan 2014 to prevent future flooding
- Our goal is to raise \$100,000 to contribute to that legal fund
- SOS has set up a separate account to accept your TAX DEDUCTABLE DONATIONS just for that fund
- A short program will outline key issues for potential litigation + other actions to take

To learn more, COME TO MARLIN'S!

WHY WE SUPPORT LOSLRA (and you should too!)
Just like you, SOS has been frustrated with the flooding made worse by the IJC. We struggled to find ways to change things. We've searched for allies to amplify our voice to change or repeal Plan 2014. We believe that LOSLRA is an organization that has a plan, previous experience and expertise to legally challenge the IJC and Plan 2014. LOSLRA is working to bring groups, municipalities, and even countries together to FORM A UNIFIED FRONT with the clout needed to MAKE AN IMPACT.

LET'S SAY NO TO 2-5-0*!

ACTION MEETING
Sunday, October 6th, 2 to 4pm
Marlin's Restaurant, Sodus Point
BRING OTHERS CONCERNED

*250 (TWO FIVE OH) is the water level in Lake Ontario predicted for next year, a foot higher than 2012. UNLESS we ACT.

CAN'T ATTEND BUT WOULD LIKE TO HELP?
DONATE at SaveOurSodus.com/LegalFund
OR send your check to: Save Our Sodus,
PO Box 56, Sodus Point, NY 14555
NOTE: "Legal Fund" on your check.

The Williamson-Pultneyville Historical Society is hard at work preparing to characterize several early historical figures who were past residents of the area, whose final resting place is now the Lakeview Cemetery. Thus, educating attendees about the rich history of the community.

This year's friendly spirits include several out-of-town guests who are coming to play the part of their deceased ancestors whose final resting place is the Lakeview Cemetery.

The 2019 cast of characters promise to mesmerize all who attend the Moonlight Cemetery Tours at the Lakeview Cemetery on Lake Road in Pultneyville.

Advance tickets are not required. Immediately following each event, you're invited to enjoy cider and donuts at historic Gates Hall, 4107 Lake Road, a short distance from the cemetery.

For Sale:

16ft daysailer. Falcon built in the mid-1960's and restored in 2015.

As is on the trailer with mast, boom, rudder, tiller, mainsail and jib.

Has a centerboard with lever. Trailer was also overhauled in 2015 - new tires, wheel bearings, winch.

\$500 or Best Offer.

Dan & Florence Socci 860 304 8266.

For sale: 1990 Capri 22 by original owner. Wing keel, tall mast, roller furling jib, new tiller, trailer, 2.5 outboard. Great shape. Has been stored indoors. A Capri 22 was manufactured by Catalina and was the later model souped-up version of a Catalina 22 with a different look with four bunks. I sailed it at the Mariners for several years and won some races. The boat can be seen at German Brothers Marina in Canandaigua. I would like to get it back to PMI to someone who would use it and enjoy it. My price is \$2500 which is well below market but if you really want the boat and can't do \$2500 we can work something out. A Vincent Buzard 585-586-1929
