Board Boats

PMC is a great place to learn to sail, and you will have plenty of company to provide a helping hand with your Sunfish, Laser and other dinghy type boats.

Catamarans

Our "dry sail" Catamaran fleet includes beach launched Hobie, Prindle, Falcon and Super Cats. Most are 16's and 18's, the perfect size for the Lake.

Monohulls

Club members own Precision, Catalina, McGregor, Hunter and other similar "day sailers" which are wet sailed using our stationary dock system.

Kayaks, Canoes, Paddle Sports

With the growing popularity of kayaks and board boats, the club has embraced these types of water sports with reduced use and storage fees.

Fishing Memberships

We provide a limited number of off season fishing memberships. Environmentally responsible, our club is major NYS DEC brown trout restocking location.

Social Activities

More than just a sailing club, the Pultneyville Mariners is all about family, friends and fun with at least 8 major events scheduled each sailing season.
