THE MAINSHEET

Newsletter by & for the Pultneyville Mariners, Inc. Sail, Beach & Paddle Club

Commodore's Corner, by Lisa Casalmir

Welcome to summer! With the weather turning warm and the sun shining the last few days, it finally feels like summer is on its way. It has been great seeing members at PMI cleaning, preparing boats and just relaxing.

While we are open and want members to come and enjoy the beach and water, we have to help keep everyone safe. This year we have extra safety concerns, including the virus and

construction. To help prevent the spread of the virus, please continue social distancing while at PMI. This includes only one person or family group in the bathroom at a time; hand sanitizing, wearing a mask when near others and keeping 6 feet apart. To help facilitate safe practices, the picnic tables are spread apart and hand sanitizer is being provided in the restrooms. Please keep the sanitizer in the restrooms for others to use when they need it. Regarding construction safety, we are asking members to park by the storage sheds and bathrooms and to avoid the construction areas and materials. Parts of the construction zones will be taped off during the weekend, but be aware that most of the area is a construction zone and take extra caution.

It always amazes me how fast a building can be put up. On Tuesday the first holes and posts were set, Wednesday the trusses went up and Friday the roof sheeting and metal will go on! This has been an exciting week. While we have a structure up, there is still a lot of work to be done before we can use it. Gravel, stone, sand and cement blocking will be brought in and placed to raise the floor level and surrounding land to the required height. Once this is done, the floor can be poured. Then wiring, plumbing, cabinets, appliances and counters will need to be installed. I hope you are as excited as I am to see the building going up. Many of you have donated time, money and resources towards this project. It is great to see major progress. If you have not yet donated or can make a further donation to the project please do so now. Members have donated over \$42,000 in cash and over \$5000 toward supplies, services and fees. We still need members help reaching our \$60,000 goal.

I hope everyone has a fun and safe Memorial Day weekend. Please stay safe, social distance and avoid and respect the construction areas. I hope you are all excited to see the new building and all the fun events we will have in it.

Eric Baller, Vice-Commodore

The club will be open Memorial Day weekend! Our first semi-social event has been a success, with families and individuals cleaning up the grounds all month. The lawn has been raked, picnic tables distributed, and the bathrooms emptied out and cleaned up. There are still a few shifts scheduled to finish up this weekend, and if you weren't able to sign up we will likely have a secondary clean-up day later in the season when construction is complete.

When at the club, please keep away from the construction site, materials and equipment, and remain mindful of effective social distancing on shore. Water in the bathrooms is now on and we will be stocking with soap and hand sanitizer. Duty Officers will wipe down bathroom surfaces with sanitizer during end-of-day cleaning, and we'll be putting up signs asking for just one person/family at a time in each restroom. If you're the **Duty Officer, the flag and first aid kit will be stored in the closet in the women's bathroom.**

We are ready. We are so ready.
Eric

SUMMARY OF SAIL PATROL/DUTY OFFICER DUTIES

- Detailed checklist is in the Duty Officer logbook in the under counter kitchen cabinet closest to the beach
- Unlock the main gate, pavilion, and bathrooms
- Set up a Duty officer station outside the pavilion
- Hook up the radio on the kitchen counter and monitor VHF channel 16. **In an emergency if you are not completely comfortable with operating the boat or responding to a rescue or other situation, CALL 911.**
- Hang the U.S. flag on the beach flagpole
- Check the beach for trash and glass.
- Ensure bathrooms and pavilion are clean and stocked with adequate paper towels, toilet paper and trash can liners. Clean areas as necessary.
- Monitor activities on the beach and grounds for compliance with PMI rules and policies including leash policy for all dogs, parents responsible for children and individuals on the property who are not members or guests of members. "Welcome, can I help you And are you interested in joining the Club?"
- Sign-in members and guests. A party permit is needed for 6 or more non-members in a group. Review Party Permits for the day.
- Enjoy the day at our beautiful club!
- At the end of the day, complete the duty officer checklist, empty the trash, take down the flag, put all equipment away, turn out the lights and lock the doors and gates if you are the last one to leave.

Getting PMI Ready...

Thank you to all who have come to help. The beach looks great!

Marketing, Steve Harkola

www.SailPMC.com works best if you share our website with others. At last count, we have 7 new member families! 2020 Membership Application is posted along with all the Mainsheets and eBlasts. If you've missed out on any of the building updates, check there!

And please print and post the

“Join PMI” flyer / tear off sheets

as various town libraries, stores, bike shops, Kayak outfitters begin to open up.

note: please keep posting every month,

many boards remove postings each month to make room for new ones

PMI is also advertising with several outdoors oriented groups

(Huggers, ADK etc).

If you see a sailboat in a neighbor's yard, share the “good news” about PMI

Thanks to all of you who have been posting, commenting and liking/ sharing on

Now, Full-time

Member in charge of FUN

From the Dockmaster, Deb Arndt

** You're invited to renew your membership this weekend.*

I'll be available during this Memorial Day weekend to take your 2020 membership renewal. Call me at 585-216-1699 and I'll arrange a time to meet with you at the Club to complete your membership paperwork and assist or answer questions you may have.

You can also renew anytime by completing the 2020 Member Application available for download at our website—www.sailpmc.com or request an application by emailing me at dockmaster@sailpmc.com

We know that this is an especially challenging time, and we send out our best wishes to you and your family. As restrictions lift, we know how much getting back to beach, sailing, and swimming calls to us. At that time or *whenever you can*, we hope you will consider renewing

your membership with PMI and join us for some of that wonderful restorative time on the beach or water. So contact us at any time, and we won't lose sight of our hope that you will return to join us.

** 2020 Member cards, locks, and combinations reminder for June 1st.*

Remember that gate, sheds, and bathroom combinations will remain the same as last year until June 1st. This is a change from previous years, but with the construction ongoing, the Board decided to move the date of the lock change to June 1st.

New combinations will be emailed to members at the end of May, and 2020 membership cards will be available for pickup after June 1st.

**Parking safety during construction. Please remember to park well away from construction areas, and avoid blocking boats.*

Club House Update

5/20/2020 PMI Build: Jeff and team arrived a little before 7:00 AMish and within 5 minutes the men were up on the wall installing the purlins. These will be used as ladders to climb to the roof. 7:57AM the roof trusses arrived and were dropped off the truck, and yes fell upside down, so the stack needed to be shuffled for the correct order for placement.

They were not too heavy! The posts were trued during this process. When lunch time came around, they decided to complete setting the trusses which took about an extra hour. A short lunch and back to the roof for valley jacks, purlins, corner blocks, wind bracing and fascia.

Rich indicating the level of the new FLOOR 252' above Sea Level

The roof is ready for sheeting and metal, I asked Jeff to install two roof vent openings, one for the plumbing vent and the hot water tank smoke stack. Jeff thinks they will be done this Friday with their part of the build. Jeff also drilled the hole for the shed station stand, so be careful when walking around the North end of the

boat ramp, Note the drill machine is awesome, completing the bore in less than a minute. The crew will be back at it on Friday, another ten hour day. Thursday is an Amish holiday. We will need Bob K. to back fill around the post before the next big wind.

Best Regards,
Rich, Clerk of the Works

For Sale:

16ft daysailer. Falcon built in the mid-1960's and restored in 2015.

As is on the trailer with mast, boom, rudder, tiller, mainsail and jib.

Has a centerboard with lever. Trailer was also overhauled in 2015 - new tires, wheel bearings, winch.

\$500 or Best Offer.

Dan & Florence Soggi 860 304 8266.

For sale: 1990 Capri 22 by original owner.

Wing keel, tall mast, roller furling jib, new tiller, trailer, 2.5 outboard. Great shape. Has been stored indoors. A Capri 22 was manufactured by Catalina and was the later model souped-up version of a Catalina 22 with a different look with four bunks. I sailed it at the Mariners for several years and won some races. The boat can be seen at German Brothers Marina in Canandaigua. I would like to get it back to PMI to someone who would use it and enjoy it. My price is \$2500 which is well below market but if you really want the boat and can't do \$2500 we can work something out... and Vince has committed to donate \$200 from the selling price to our building fund!!! A Vincent Buzard 585-586-1929

A. Vincent Buzard, Esq. avincenzbuzard@gmail.com 585-218-1563

Snipes For sale:

Each comes with two sets of sails, a fiberglass and a varnished wood rudder, tiller and extension, dagger board and trailer.

These are sister ships, coming off the line at McLaughlin Mfg. one boat number apart in 1984.

Both were very well-maintained by former members at Newport Yacht Club. The price is \$1800 each. Will entertain offers on one or both.

Thanks,
Jane Shafer
