

Newsletter by & for the Pultneyville Mariners, Inc. Sail, Beach & Paddle Club

Commodore's Corner, Eric Baller

Your beautiful day at the beach is brought to you.. by you! Thank you to all our Duty Officers that work hard one day each summer to make sure we can all enjoy the club every day. If you have not signed up, Jessica Shaver has made it as convenient as possible. Simply follow the link: <https://www.signupgenius.com/go/5080B4EAAAE2DA0FB6-pmiduty>

If you have signed up and need to make a change, please arrange a substitution yourself. Ideally, you can look ahead in the schedule at that link above and find someone that you can swap with so you both still get to fulfill your responsibility. We all agreed to be Duty Officer for a day on our PMI application, and though there is important work to do, there isn't a better location to be doing it.

And, also, thank you to everyone that came over to PYC Saturday for the annual Commodore's Challenge! I had a good day on Chip New's "High Life". With him, Eric Anderson, and Kelly Vore as crew we were able to hold off Commodore Fred of PYC and keep the trophy for another year. And, we had a great showing for the party afterward, from both our PYC hosts and the PMI membership.

Speaking of Duty Officers, On a cloudy Sunday, this crew went above and beyond.

While Carmen kept an eye on the boats,
Debbie organized the new supply cabinet and
Bill vacuumed EVERYWHERE
- getting rid of spiders and flies, oh my!

Duty Officer Coordinator, Jessica Shaver

Thank you to all the members who have fulfilled their duty officer obligation for this season. Members rely on the duty officers to ensure that the grounds are in order, to sign in guests, and to provide a point of contact for any issues that might come up during the day. Members who do not fulfill their duty officer obligation may be charged a non-participation fee as it is an important requirement of active membership. We appreciate everyone's help!

The following shifts are still open at this time and need coverage:

9/5/22 (1 slot)
9/11/22 (1 slot)
9/18/22 (1 slot)
9/25/22 (2 slots)

Thank you,
Jessica Shaver.

Sunday Dinghy Sailing Continues

In the last Mainsheet, Carol put out a challenge to the Sunfish to get more boats out for the Sunday Races - and they

responded! Also, some Lasers were away with other obligations so the Sunfish picked up 2 wins. This past Sunday, as the wind didn't accommodate, many of us just dropped overboard for a swim before heading back to shore.

Mother Nature is the one in charge!

From the Board - insect update

This past week, sheds 7 and 8 and pavilion (exterior) were sprayed. No ground bees were detected, **but an aggressive white face wasp nest was found on west exterior wall of building right under roof line next to pavilion.** It was treated, but won't be dead til this weekend **hopefully.** Otherwise if still active, the exterminator will return.

Children's toy box and bottle recycling bins are right under the area. The whole area has been sprayed, the wasps are angry. Warning signs are posted.

Member at Large,
