

Special Edition- Get Ready for Clean-up Next Saturday

Commodore's Corner, Pete Stubler

At Spring Cleanup **Saturday, April 29** I will be looking for members who may be interested in purchasing small marine radios. I also encourage anyone with extra gear (wetsuits, harnesses, PFDs, etc.) that they no longer use to bring it to the cleanup and find it a new home with another member. This year will be filled with fun and lots of opportunities stay involved. See you soon.

Pete

Vice Commodore, Rich Seyfried

Welcome to the 2023 season at PMI. We will clean up the site - bring your rakes, shovels, tarps, wheelbarrows, chain saws, and elbow grease. We will have a truck and trailer to haul the debris off-site. When the truck and trailer arrive, help load up, and we will try to make as many trips as possible. The trash dumpster (AKA Blue Frog) will be open for plastic, glass, metal, stuff that can not be ground up for chipping/mulch. We will need crews for the kitchen, bathrooms, boat ramp, getting the grills out of the storage shed and placing them around the site. We also need to clean out the Boat shed to make ready for the sail patrol boat supplies. Picnic tables need to be moved around the site. The beach will need lots of cleaning. We will pick up what we can and leave the huge logs. We will bring in heavy equipment to move them later. More instructions will be given at the kick-off meeting.

Secretary, Deb Arndt

Volunteer: To assure another great year for PMI, your volunteer participation is needed! Apart from your participation as a Duty Officer, please select at least 2 additional ways to volunteer. Each year, volunteers are especially needed to help with spring and fall clean-ups, social events, and small repairs. At the **Spring Cleanup on April 29**, you can sign up for scheduled events and projects that match your availability.

Member Information: Especially helpful for newer members, but useful, too, for all members, please check out our guide, **Member Information 2023**, on our website. Here there is information to help you navigate Club rules (and best practices) for members, Club By-Laws, ways to volunteer, events, Club history, Board Member and Committee Chair contacts, and more! Attached to this Mainsheet is the current roster of the Board and Committee Heads and their contact information.

Dinghy Fleet Captain, Kelly Vore

The nice weather has arrived, and the sailing season is just around the corner!

For those new to the club, we have large Sunfish and Laser fleets that meet on Sundays (starting in June) for fun low key racing around the buoys. This is an opportunity to get out on the water and sail with others. We have a competition each year to see if the Laser or the Sunfish fleet will have the most

boats each Sunday. The fleet with the most points at the end of the season wins. If you don't have a Sunfish or Laser, but you do have a similar boat (Force 5, Sailfish, or a two person dinghy 15 feet or less) you are welcome to join. We will match you to a fleet depending on your boat type. If you are interested in joining, please email me at voretex25@gmail.com so I can add you to our dinghy sailing email list. If this sounds fun to you, but you don't currently have a boat, please also reach out to me to indicate your interest.

Duty Officer Coordinator, Jessica Shaver
