THE Mainsheet

Newsletter by & for the Pullneyville Mariners, Inc. Sail, Beach & Paddle Club

Commodore, Deborah Arndt

Despite our recent heat wave, summer has finally arrived and cool breezes will soon waft again over the lake inviting us to enjoy all the beauties of the shoreline. I will be there right along with you, enjoying every minute, although in a different capacity. Regrettably, I am stepping down from my role as Commodore due to personal and health reasons.

Please stay up to date with the Mainsheet to keep informed as to who will be handling details for various projects. In the meantime, enjoy all the fun and good times the summer affords here at this beautiful place, and thank you all for being members of this grand organization!

Sincerely,
Deb Arndt

Darlene Grey, Social Event Chair

Father's Day breakfast hosted by the Casalmirs was fantastic ! Pancakes, sausage, eggs , pastries, fresh fruits and juices, coffee and tea. Don't forget Mimosa's served by Paul Bush at the tiki bar. It was a cool breezy day, however the SUN was out, inviting all to sit and visit with new members to PMI. Thank you Paul, Lisa and family for a wonderful

FATHERS DAY breakfast!
Cheers,
Darlene

A big thanks to everyone who supported PYC's 2nd annual She Sails Pink Cup Regatta. The event raised over **\$3,800** for the Breast Cancer Coalition. We had overwhelming feedback from competitors that it was a fun regatta, and they are looking forward to competing next year! A big shout out to Annie and her PMI team who represented our club on her Capri 22.

I hope that you're all able to get out and enjoy this beautiful weather. A lot of fun and exciting things are happening at the club. One great thing I can report is that a meeting was had with the new land owner and contractor to get all the needed information complete. It was a great meeting and our new neighbor cannot wait to meet everyone and have an open house when the construction is done. As the building begins, information will be sent out as to what to expect. We are believing minimal impact to our activities and most of all safety for everyone involved while we both enjoy the club area. A quote has been achieved from Empire Tree for tree maintenance and clean up. Once approved that will be set up as well. So many exciting things are beginning and happening at PMI and we look forward to building not only new neighbors but also new relationships and transparency, so everyone is on the same page !!!

FYI..The PMI oven is fixed. Register Appliance of Webster did a fantastic job with a reasonable rate. Their tech ,Chris, was on time and very helpful. The oven igniter was out.

Welcome to summer! Some thoughts to make things smooth.

- * Please pick up any trash. When bags are full, please tie them and put in the dumpster by the ladies' room.
- * To clear sand off, use the outside hose by the pavilion, NOT the showers as the drains can get clogged up.
- * Remember - Last one out - please be sure everything is locked up
- * IMPORTANT NOTICE: At the entrance to our driveway, a home is being built, so use caution - keep children away from the building site. Be aware of trucks as you enter the Club.

Still need to get Motor Boat Certified?

Our club needs members to operate our sail patrol boat to set up race marks and to assist members out on the water. In addition to the NYS Boating Safety Certificate, PMI members who operate the Sail Patrol boat need training on the set up and operation of the club's Boston Whaler. To receive the PMI Sail Patrol boat training, please contact Rich Bilsback at 585-748-8578.

By the way, members have found that the BoatUS boating safety course (free or donation) is more up to date and user friendly than the US Power Squadron course.

With July 4th just around the corner, summer is in full swing! I am looking forward to celebrating with you at our Annual July 4th Pot Luck Event!

A special “Thank You” to folks who have kept me up to date with special event supply needs! I’m heading down to the club today to check on things and hope to run into some of you to thank you in person, especially Darlene, who is so great about picking up things

she knows will be needed for events when she happens to be at a good source venue. Kudos Darlene! This year is a little different for me so, the extra help is truly appreciated.

I will check general supplies on a regular basis. Reach out to me when you: notice supplies are low; are planning an event and want help with purchasing supplies; have “friendly” helpful hints about my missteps; missing supplies; or, advice about how things could be improved. Remember, eco friendly supplies and conserving supplies when possible remain a priority for me. Thank you!
