Set in a beautiful seaside town on the Italian Riviera, Disney and Pixar's original feature film "Luca" is a coming-of-age story about one young boy experiencing an unforgettable summer filled with gelato, pasta and endless scooter rides. Luca (voice of Jacob Tremblay) shares these adventures with his newfound best friend, Alberto (voice of Jack Dylan Grazer), but all the fun is threatened by a deeply-held secret: they are sea monsters from another world just below the water's surface. "Luca" is directed by Academy Award® nominee Enrico Casarosa ("La Luna") and produced by Andrea Warren ("Lava," "Cars 3").

Perfect for the whole Family

Member-at-Large, Anthony Gallo

Question or issues during our season
- feel free to reach me at 585-545-5106

Welcome to summer! Some thoughts to make things smooth.

- * Use car tags for your mirror - it really helps to identify members using the club
- * Wooden chairs on the beach - Please keep behind the flag pole, back by the beach grass - helps with beach raking
- * **All holes in the sand must be filled in to prevent accidents**
All toys and other items must be put away in order to allow a clear space for lawn mowing.
- * Last one out - Lock up EVERYTHING!
- * House construction next door has begun - Please be aware and avoid the area
- * Mother Nature is in charge - Beach raking will ATTEMPT to stay ahead of the muck

Special Note from Rich Seyfried: Hand digging out the main electric cable that powers the club house, has begun. it has been tough digging. This wire is now sitting above ground. It is up near the power pole and property line of the new house and is marked off with a safety cone and safety tape. **Please stay away; it is powered up ~ or better said, live wires. We will be looking for some people to help dig out the cable.**

Dinghy Fleet Captain, Kelly Vore
